

RYAN CHADHA

Ryan Chadha is an Assistant Professor of Anesthesiology and Perioperative Medicine, Division of Abdominal Organ Transplant Anesthesiology at the Mayo Clinic in Jacksonville, Florida. He did his anesthesiology residency training from 2012-2015 at Yale-New Haven Hospital in Connecticut, USA, and a Liver Transplant Anesthesiology Fellowship from 2015-2106 at Columbia-NY Presbyterian Hospital in New York, USA. In addition to his clinical responsibilities, he is also the Associate Program Director of the Mayo Clinic Florida anesthesiology residency, and Medical Director of GI Endoscopy and Bronchoscopy Anesthesia. His current interests include the development of standard core competencies for liver transplant fellowships, perioperative outcomes of controlled DCD liver grafts, and liver transplant/high fidelity simulation.
