HANDS-ON!

Symposium

Combined Workshop on Thoracic and Abdominal Organ Perfusion for Transplantation

April 15th – 16th 2019
Rotterdam, The Netherlands

www6.erasmusmc.nl/chirurgie/CWOPT

Endorsed by ESOT and ELITA

PRELIMINARY SCIENTIFIC PROGRAMME

DAY 1: April 15th

- 10:00–10:45
- 10:45–11:00
- 11:00–12:30
- 11:00–11:30
- 11:30–12:00
- 12:00–12:30
- 12:30–13:30
- 13:30–15:00
- 13:30–14:00
- 14:00–14:30
- 14:30–15:00

Welcome with coffee

Introduction of the Course
Jeroen de Jonge, Khe Tran, Wojtek Polak, Rotterdam, NL

SESSION 1 | Common grounds in machine perfusion

Common grounds in abdominal and thoracic organ injury
Henri Leuvenink, Groningen, NL

How HOPE works in the liver
Philipp Dutkowski, Zurich, Switzerland

Normothermic organ perfusion: how to assess viability?
Hynek Mergental, Birmingham, UK

Discussion and Lunch

PARALLEL SESSION 2A | Abdominal

Kidney: Does the cold need oxygen?
Jacques Pirenne, Leuven, Belgium

Kidney normothermic: practical considerations starting up a program
Cyril Moers, Groningen, NL

Liver normothermic: what did we learn from the continuous perfusion trial?
Hynek Mergental, Birmingham, UK

PARALLEL SESSION 2B | Thoracic

Lung EVLP: when to accept or decline a lung after EVLP?
Michiel Erasmus, Groningen, NL

HOPE for the heart ?
TBA

Heart normothermic perfusion: how to assess function?
Stephen Large, Cambridge, UK

Coffee break

SESSION 3 | Normothermic Regional perfusion

Abdominal NRP combined with lung procurement in DCD III:UK experience
Gabriel Onisco,Edinburgh,UK

NRP in (un)controlled DCD: howto stabilize perfusion?
Angel Ruiz,Barcelona,Spain

Central NRP: Papworthexperience
Stephen Large,Cambridge,UK

Bites break with news flashes: mini reports of future research plans by attendees (max 5 min)

SPONSOR SESSION 4 | Of man and machines

Demonstration of the different perfusion systems, dry runs

Networking

DAY 2: April 16th

- 08:30–09:00
- 09:00–10:00
- 10:00–12:00
- 12:00–13:00
- 13:00–16:00
- 13:00–14:00
- 14:00–16:00
- 13:00–16:00
- 13:00–16:00
- 13:00–16:00
- 16:00–16:30
- 16:30–17:00
- 08:30–09:00
- 09:00–10:00
- 10:00–12:00
- 12:00–13:00
- 13:00–16:00
- 13:00–14:00
- 14:00–16:00
- 13:00–16:00
- 13:00–16:00
- 13:00–16:00
- 16:00–16:30
- 16:30–17:00

Welcome with coffee

SESSION 5: | Preparation for hands-on part

Regional and Central NRP techniques and video
Onisco, Large

SESSION 6 | Hands-on course on anesthetized live animals:

Central and abdominal NRP
Large, van der Kaaij, Erasmus, Onisco, Huurman, de Jonge

Lunch

PARALLEL SESSION 7A | Abdominal

Kidney HOPE
Pol, Moers, Huurman, Kimenai

Liver HOPE
Dutkowski, Mergental, Polak, de Jonge

Kidney NMP
Moers, Pol

Liver NMP
Mergental, de Jonge

PARALLEL SESSION 7B | Thoracic

Lung EVLP
van der Kaaij

Heart NMP
Large, Erasmus

Round-up and lessons learnt

Farewell with drinks

Combined Workshop on Thoracic and Abdominal Organ Perfusion for Transplantation

Target number of participants: 20-25

Workshop fee: E 600,- including coffee, tea, lunch and diner
