

**MICHAEL SPIRO**

Mike Spiro is a consultant anaesthesiologist and Intensive Care physician at The Royal Free London NHS Foundation Trust. He was fellowship trained in liver transplant anaesthesiology at The University of California in San Francisco. He is currently the Royal Free Perioperative Research co-lead. His main interests are: enhanced recovery of liver transplant patients, streamlining intraoperative monitoring and care and management of coagulopathy. He currently holds an honorary research contract with University College London.
