

NICHOLAS L. SYN

Dr Nicholas Syn is a general surgery junior resident at the National University Health System, Singapore, and the inaugural Dean's Fellow at the Yong Loon Lin School of Medicine, National University of Singapore, where he graduated from in 2021.

He has published over 180 scientific manuscripts, including articles in The Lancet, The Lancet Oncology, Annals of Surgery, British Journal of Surgery, BMC Medicine, Journal of Clinical Oncology, Hepatology etc. Whilst in medical school, he obtained over SGD \$100,000 in funding, grants, and awards, and upon graduation was named an inaugural recipient of the Dean's Research and Development Award (DRDA). He intends to embark on a PhD in tissue engineering and bioprinting during residency with the goal of developing technologies that may help solve supply-side shortages in liver transplantation.
